Restaurant of the Week features Coney Island Hotdogs

When you want a good hotdog, Coney Island Restaurant is the place. Coney Island is the featured restaurant this week in the Downtown Restaurant of the Week promotion. During the week of March 29-April 3, the spotlight will focus on Coney Island for the Downtown workforce and throughout the wider community. Each week, a new Downtown restaurant is featured.

Coney Island Restaurant is one of those places that almost everyone remembers from their childhood. That might be because it has been family owned since 1923, a Downtown landmark. Current owners are Amador and Virginia Toscano.

If you're looking for those famous chilidogs – you've found them. Regular hotdogs and hamburgers are also tasty. That delicious chili and potato salad are made from scratch. Even the hash browns and fries are made from fresh potatoes. Daily deliveries guarantee freshness for all ingredients.

In addition to All-American lunches, Coney Island creates great breakfasts. Look for specials each morning, as well as the standards: eggs, bacon, ham, hash browns, breakfast sandwiches and breakfast burritos.

Excellent customer service is also standard at Coney Island. In this American Diner atmosphere, customers are treated like family.

Coney Island Restaurant is located at 906 Tulare Street, just east of Chukchansi Park and east of Fulton Mall. Street parking is usually easy to find, and a parking garage (Garage 4) is right across the street. Hours of operation are Monday through Saturday from 7:00 am to 4:00 pm.

Restaurant of the Week originated as a way to introduce a variety of Downtown restaurants to the 45,000 people who work in Downtown Fresno. Information is available at www.downtownfresno.org/restaurant.
