Restaurant of the Week features Club One Restaurant

Club One is the featured restaurant this week in the new Downtown Restaurant of the Week promotion. During the week of February 1-7, the spotlight will focus on Club One Restaurant for the Downtown workforce and throughout the wider community. Each week, a new Downtown restaurant is featured.

With new management on the restaurant side of Club One, customers have hit the jackpot! Erin Cathcart (Food & Beverage Director) and Miguel Gamboa (Executive Chef) have brought their proven expertise to this landmark restaurant. From the housemade soups, sauces and dressings to the sumptuous entrees, this is an experience you won't want to miss.

Specials abound. Every meal has two specials – one Asian and one American. Chef Miguel is known for his specials - over half of his dining guests select his personal choice of the day.

There are special events on many evenings and weekends - Knarly Charlie on Mondays, Karaoke on Tuesdays, steak and lobster specials on Wednesdays and Thursdays. On Saturdays, look for UFC bouts broadcast in the lounge. Don't miss Super Bowl Sunday and Valentine's Day. More information is available at their website: < <http://www.clubonecasino.com/>>

Something new at Club One beginning in February is free delivery to downtown areas.

Club One Restaurant is open 24 hours a day, seven days a week. Catering is available, and they have the facilities to serve banquets up to 150 people in the building. Many events, from weddings to business dinners, are held here.

Club One Restaurant and Casino is located at 1033 Van Ness Avenue at Tulare Street. Parking is available in the underground garage that you enter across the street from Club One.

Restaurant of the Week originated as a way to introduce a variety of Downtown restaurants to the 40,000 people who work in Downtown Fresno. Organization and initial contacts were made by a team of marketing students of Dr. Wm. Rice at CSU Fresno. In the following weeks, restaurants throughout the Downtown area will be featured.
